MOHAMED ABDULLAHI OSMAN

Graphic Designer | Video Editor | Front-End Web Developer | ICT Technician

ABOUT ME

I am Mohamed Abdullahi Osman, an 18-year-old motivated and hardworking student with a passion for technology, design and creativity. I have completed primary and middle school, and I am currently a Form Four student, expecting to graduate next academic year. I have also completed a college program in the Faculty of ICT. I am skilled in multiple digital fields and always eager to learn new skills, take on challenges and contribute to a growing team.
